1. was my teacher

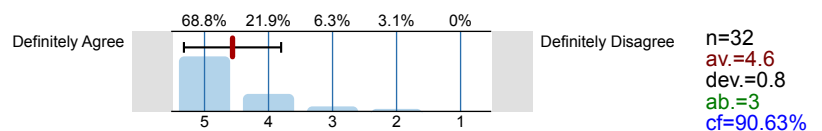

1.1)

1.2) The teacher communicated ideas and concepts effectively.

1.3) The feedback I received from this teacher has helped my learning and performance (select N/A if another teacher was responsible for providing you with feedback for this course)

1.4) Please comment on aspects of this teacher's teaching you think were particularly good.

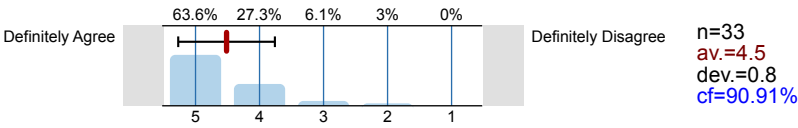

- deliver contents clearly.
- Got through questions and tried to make seminars engaging. Also seems like someone you can approach when there are problems.
- Great delivery of information
- He convey ideas very clearly and he is very encouraging for students to ask questions. He walked us through past exam paper and it was very helpful with step by step solutions.
- Liked how the teacher provided "light reading" on subjects.
- NA
- The teacher explained everything in detail and covered some examples from the exams when asked to do it. I found his way of teaching quite helpful in understanding the maths related to the material covered during lectures.
- Very happy and satisfied overall.

1.5) Please comment on aspects of this teacher's teaching you think could be improved.

- Is more linked to the material he is teaching rather than himself.
- Maybe spending less time doing long calculations in class.

- N/A
- NA
- Seminars and lecturers could be more related.
Robert has created his slides in a very confusing manner. I would suggest to use LaTeX next time.

1.6) Overall, I am satisfied with the teaching by this teacher on the course.
